A black and white photograph of a vintage-style television set. The television has a large, rounded rectangular screen with a thick frame. Below the screen is a small, rectangular control panel with several buttons. A black remote control lies in front of the television on a surface. The background is plain and light-colored.

A pixelated illustration of a character with a large, round head and a small body. The character has a single white eye and a small mouth. It is wearing a dark red t-shirt with the text "WHAT THE HELL" printed on it. The character is holding a white speech bubble that contains the text "WHAT THE HELL". The background is a gradient from yellow on the left to red on the right.

Long time no see! How are you?
Do you know that guy who lives at your
house goes to our school right?
Can you introduce me to him at
Homecoming?

Here this is a type of guy I don't think
you like.

How come you don't have a
boyfriend either?

Do you like him or something,
right?

How come you don't have a
boyfriend either?

What did you say?

Sorry, I didn't hear what you're talking
about.

The only guy in my house is my
brother who is much younger than me.
I probably should tell you he's
married. That's

How come you have no
boyfriends trying to date
you?

I have lots of them.

No way. I need you
to tell me about some
thing else.

How come you don't have a
boyfriend either?

How? I'm busy being all up over this
boyfriend you could at least provide me
with a name.

The name is Scottie.

How come you don't have a
boyfriend either?

But I'm sure it's not your
brother.

Hi guys, it's me again.
Thanks for reading Chapter 2
of Horik-san to Miyamura-kun.

So...

If you're reading this on any
manga site, please be
informed that I don't have an
official site for
uploading since I'm doing
this only as a hobby, so I
just upload them all onto
[r/manga](#) on Reddit. You
probably should go check
them out, since I have added
titles, HERO's notes, and
parodies there, which I
speculate you can't see them
anywhere else.

If you are interested enough
to put the effort into find-
ing them, my username is
[u/Jangz001](#) on Reddit, and I
upload them on
[reddit.com/r/manga](#).
Nice community there.

So thanks again for reading,
and I'll see you next time.
